

## Chapter – 8: Main activities to be done in the next financial year 2010-11

In the present socio-economic scenario, development and expansion of road infrastructure with the help of modern equipments and construction of more bridges are the most important criteria in the interest of the overall development of West Bengal. The P. W. & P. W. (Roads) Departments are continuously trying their level best to achieve this goal and bridge the gaps between demand and supply. P. W. Department is also entrusted with the construction of new buildings and also does few other social sector programmes in addition to the stated works.

P. W. & P. W. (Roads) Departments have also taken up necessary Plan Programmes for Widening and Strengthening of existing road infrastructure and making efforts to add new road networks as per demands of the districts in consultation with State Planning Board.

The Public Works and Public Works (Roads) Department has received Budget Allotment during the financial year 2010-2011 as stated below:
