ORDER

Subject: Updation of the database related to RCMS at the Samiksha Portal

Road Condition Monitoring System (RCMS) was introduced by Public Works Department (PWD), Government of West Bengal to systematically map the condition of roads prior to and post restoration of work; specifically the works of surfacing in nature. This initiative was introduced as a transparency measure under the Samiksha Portal of the Department.

In this respect a G.O. bearing Memo. No. 1M-03/16/74-R/PL dated 06.03.2026 was also issued by the Department, mandating this mapping. However, by review of Samiksha Portal report, it is found that in many cases this provision has either not been followed or the report has not been uploaded.

Kindly ensure the updation of the database related to RCMS on the Samiksha Portal at the earliest.

Besides, a list of non complaint divisions may be prepared by the 03.08.2026 & placed for further necessary steps.

Secretary,

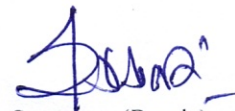

Public Works Department
